Dear Harrod,

You recently came to see Hopkins and suggested that it might be more satisfactory if your paper on Foreign Lending and its relation to the Clearing Union Proposals were discussed first of all at the Treasury before we decided whether to put it to the Hurst Committee. We are entirely in agreement with this view and think that a talk at the Treasury with the Economic Section would be more fruitful, at any rate at the first stage, than a talk at the Hurst Committee.

Would you let me know when it would be convenient for you to have the talk? If you give me a few days

notice I will do my best to get
together the meeting.

Yours sincerely,

R. F. Harrod, Esq.,
