Roy Harrod Esq.,  
Christ Church College,  
Oxford.

My Dear Roy,

If I were finding myself in Oxford for some other reason, I should like to come to the Luncheon Club. But in order to remain master of a reasonable proportion of my own time, I am finding it necessary to make an almost absolute rule of cutting out oral exposition of the sort of things I write about. I find that if I once begin doing these things, I am a lost man. Please forgive me.

Yours ever,

*J.M. Keynes*
