

to get away for the weekend

But I hope next term I

shall be able to arrange it
better and come sometime
then.

Dear Harrod,

I'm awfully sorry
to have been so long in
replying to your kind
invitation.

I'm afraid it isn't
possible for me to come this
term, much as I should
like to. But I have just
been made a fellow and
lecturer, and have work
at inconvenient times on
Saturday and Monday which
makes it impossible for me
