Dear Roy,

Thanks for your **two letters** of
September 23 and 24. I would have
acknowledged them before now if my
mind had not been entirely on other
matters.

I believe that the idea is that
you should come round one day to the
Treasury for a discussion with us on
the various matters involved. So I
will say no more until I see you then.
In fact, I have not very much to add to
what you already know about my view of
the tactics.

Yours, *JMH*
